Department of Industry

Information about the ACSF is available at: www.innovation.gov.au/acsf

The ACSF is available for download from
www.innovation.gov.au/skills/LiteracyAndNumeracy/AustralianCoreSkillsFramework/Pages/Library%20Card/ACSF_Document.aspx

Online videos

ACSF Introduction <http://youtu.be/W1M02yxDgpQ> (note this video was produced for the previous version of the ACSF, but most information is still relevant). The introduction is followed up with interviews with clients, including:

- ACSF – Jordan ACSF Interview VCAL and ACSF Analysis
<http://youtu.be/i4wq0cqXqYQ>
- ACSF – Jordan ACSF Analysis
<http://youtu.be/2liY7a0bjwc>
- ACSF – Paul ACSF Interview WELL
<http://youtu.be/J1UxG2kMdvo>
- ACSF – Paul ACSF Analysis
<http://youtu.be/nhhgkJ3HvOI>
- ACSF – Zoe ACSF Interview LLNP
<http://youtu.be/PfKbWU0JqIE>
- ACSF – Zoe ACSF Analysis
<http://youtu.be/B5kLep61MLc>

Videos produced for Community Services and Health Industry Skills Council (CSHISC), including:

1. How to locate Foundation Skills in a unit of competency –
<http://youtu.be/1j6fWumTg2c>
2. Lining ACSF mapping information to teaching Foundation Skills –
<http://youtu.be/AO6F3ewO8ww>
3. Making the link between the foundation skills requirements of a unit and a learner's skill level – <http://youtu.be/oDNFIRBKftM>
4. How to contextualise a vocational qualification to include units from the Foundation Skills Training Package – <http://youtu.be/DCzp4aaFwq0>
5. Strategies for trainers to use to develop foundation skills in a vocational training program – <http://youtu.be/Vp7iK5I2ZFk>
6. Helping workers to work efficiently – <http://youtu.be/VQ2Y2t0JI0Q>

- 
7. How to interpret units and assessment requirements for quality training and assessment (Tutorial on using the new design model qualifications) – <http://youtu.be/us03Clwp4v4>
 8. Incorporating components of the Foundation Skills Training Package into training for Community Services and Health – *soon to be uploaded*
 9. Companion volumes for the Community Services and Health Training Packages (Using Companion Volumes) – <http://youtu.be/zwV4WMuXQJE>

Understanding the ACSF – one of a series of videos produced by Innovation and Business Services Australia (IBSA) to support the Foundation Skills Training Package. Go to <http://buildingstrongfoundations.ibsa.org.au/content/understanding-acsf>.

What Works – an online library of free video segments for use in professional development to build LLN training and assessment skills. Go to www.ideasthatwork.com.au/lln.

ACER

ACER have produced online products that can be used under license (at a cost) to assess core skills or foundation skills. For information, go to <http://www.acer.edu.au/tests/cspa/australian-core-skills-framework> for further information.
